Introductory lectures (Moderator: Mirko Topalović)

14:30 – 14:45 **The technology and lesion formation**
Jernej Štublar

14:45 – 15:00 **Indications for focal cryoablation**
Mirko Topalović

15:00 – 15:15 **Tips and tricks for successful procedures**
Matevž Jan

15:15 – 15:45 **Coffee break**

Lecture and live cases

15:45 – 19:00 **Focal cryoablation for AVNRT**
CASE 1: Matevž Jan
CASE 2: Mirko Topalović
Prerecorded case with discussion
Tine Prolič Kalinšek

20:00 **Faculty and attendees dinner**

Friday, June 9

Lecture and live cases

9:00 – 13:00 **Focal cryoablation for accessory pathways**
CASE 3: Matevž Jan
CASE 4: Tine Prolič Kalinšek
Prerecorded case with discussion
Mirko Topalović

13:00 – 13:05 **Closing remarks**
